Mr. Harold H. Saunders  
Director, Intelligence and Research  
Department of State  
Washington, D.C. 20520

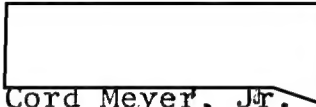

Dear Mr. Saunders:

We have been preparing for the DCI on a weekly basis a compilation of significant developments abroad related to the U.S. stand on human rights. This "Watching Brief" has been prepared by the International Issues Division of ORPA. Paul Walsh, Associate Deputy Director for Intelligence, has suggested that you might be interested in receiving this publication on a regular basis and I, therefore, attach a copy of the report for the period 29 April - 5 May. You may wish to bring it to the attention of senior policy officials in State who deal with human rights.

At the DCI's request we also make this publication available to Ms. Tuchman on the NSC Staff.

Unless I hear from you to the contrary, I will continue to forward this publication to you on a weekly basis and I would appreciate any comment you may wish to make.

Sincerely,

  
Cord Meyer, Jr.
